

IPC Swimming Rankings London PG 2012

created by IPC Sport Data Management System (SDMS)

Course: Long Course | Period: 2010-08-15 to 2012-08-05

Reaching the MQS does NOT mean that the athlete will participate in the 2012 Paralympic Games automatically. It is up to the NPCs to nominate the swimmers based on the qualification slots allocated to the NPC. Besides that, MET times (in italic) are only accepted if the athlete has a valid MQS time in another event.
