INCHEON 2014 ASIAN PARA GAMES

EVENTS (203)	*Please see attached list at the end of the document. Final number of medal events will be based on the Final Entries.*
ATHLETE QUOTA	Men 170 Women 90 **Total 260**
ATHLETE ELIGIBILITY	To be eligible for selection by an NPC for the 2014 Asian Para Games swimmers must: • hold an active IPC Swimming license for the 2014 Season • have achieved a Minimum Qualification Standard (MQS) at an IPC Swimming Recognised 50m Competition for the respective event between 01 January 2013 and 29 August 2014 (times are only recognised if the athlete was licensed at the time of the achievement or has a recognised split time record in the same stroke) • have a classification status 'New', 'Review' or 'Confirmed' *Note: The MQS was set based on the official Asian ranking list 01 June 2012 - 30 November 2013. For the classes S1 and S2 there are no MQS times. For MQS please see the list at the end of this document.* *For relay events there are no MQS times, teams can be entered without previous achievement (they will be seeded with 'no time'). NPCs that have time for their relay team from the qualification period can enter this result in the final entries.*
ALLOCATION OF QUALIFICATION	IPC Swimming reserves the right to conduct a slot allocation procedure following the Entry by Number if needed. In case of a Bipartite Commission Invitation the slot is allocated to the individual athlete not to the NPC.
MAXIMUM ENTRY PER NPC	An NPC may enter a maximum of forty (40) eligible athletes. • Individual Events NPCs can enter a maximum of three (3) eligible swimmers per event. If there is more than one eligible sport class in the event, a maximum of eight (8) swimmers per event can be entered per each NPC. However, only a maximum of three

(3) swimmers per each eligible sport class can be entered.

If following the classification changes there are more than the identified number of athletes in an event, the NPC must decide which athletes are going to swim within the above number identified.

• Relay Events
An NPC may enter a maximum of one (1) relay team per event, comprised of qualified athletes within the NPCs overall quota.

BIPARTITE COMMISSION INVITATION ALLOCATION

IPC Swimming will allocate up to 30 Bipartite Commission Invitation slots. NPCs that have 5 or fewer swimmers on the qualification rankings may apply for Bipartite Invitation slots via the IPC online entry system by 29 August 2014.

NPCs will be informed about the Bipartite slots allocated to them, and the NPCs will need to confirm the usage of the Bipartite Invitation slots by 02 September 2014.

It will be under the discretion of IPC Swimming to distribute any slots remaining after the entry deadline.

CLASSIFICATION

Swimmers with 'New' and 'Review' sport class status must undergo international classification on site. Athletes will need to present themselves for classification at the date and time identified by IPC Swimming.
NPCs must upload all relevant medical paperwork for their swimmers with 'New' and 'Review' status in the SDMS in accordance with the regulations outlined on the IPC Swimming website.
For every classification matter the NPC must contact the IPC Swimming office.

EVENT VIABILITY CRITERIA

The 2014 Asian Para Games will be conducted by the Single Class competition format. Only events that meet the Event Viability Criteria outlined below after the Entry by Name will be included in the Final Event Programme. Sport classes without a viable event will be able to "swim up" to the nearest single class event included in the Programme in accordance with IPC Swimming Rules and Regulations. These sport classes will be considered Eligible Classes for the respective single class event, and medals will not be allocated separately for these eligible classes.

Event Viability Criteria
• Individual events will be considered viable if they have a minimum of five (5) eligible swimmers from two (2) NPCs entered through the Entry by Name.

• Relay events will be considered viable if they have a minimum of four (4) eligible NPCs entered through the Entry by Name.

MEDALS	Medals will be awarded to the first three (3) athletes finishing the event (regardless of the sport class). In the exceptional case an event is completed by only three (3) or fewer swimmers medals will be awarded following the "minus one rule". Athletes swimming up will not be awarded medals separately.
